CERTIFIED  
ASSOCIATE

Adobe and Certiport would like to congratulate you on becoming an Adobe Certified Associate! You have joined an elite community of motivated achievers who share a mark of distinction. The Adobe Certified Associate certification identifies you as an individual with extensive expertise in digital communications.

Adobe certification is an industry standard of excellence, and it's the absolute best way to communicate your proficiency in leading products from Adobe. Sharing the news of your accomplishment with employers, colleagues, and classmates helps them see that you have something exceptional to offer in digital communications technology.

The Adobe Certified Associate distinguishes you with a global credential that can be shared through your digital transcript. This powerful tool allows you to e-mail your certification worldwide, proving that you have the technology communication expertise that leading companies require. This digital certification will allow you to stand out from others. Log on to the My Certiport page at [www.certiport.com](http://www.certiport.com) to access your digital transcript, along with other powerful tools to assist you in leveraging your certification to its full potential.

We hope that your achievement of this Adobe Certified Associate certification will inspire you to continue expanding your skills and adding to your resume. Adobe Certified Associate certifications include:

- Web Communication using Adobe® Dreamweaver®
- Rich Media Communication using Adobe® Flash®
- Visual Communication using Adobe® Photoshop®
